SUBJECT: Recommendation for 2027 General Adjustment for Department Directors

REQUEST:

Approval of the HR Technical Review Committee's recommendation for a 2.75% general adjustment to the salary schedule for department director positions for 2027.

BACKGROUND:

Pursuant to Section 8.8 of the City Charter of the City of Rochester Hills, City Council is required to set in the annual budget, by resolution, the annual salary for department directors, Mayor, and rates of compensation for City Council and members of Boards and Commissions. As directed by Article III of the *City Council Policy for Salaries of Department Directors and Mayor, and Per Diem Fees for City Boards and Commissions*, as amended, and authorized by resolution number 2017-0279, the Human Resources Technical Resource Committee (HRTRC) met on June 23, 2026 to discuss 2027 compensation recommendations.

In 2017, City Council authorized implementation of a unified salary schedule to include department directors as well as other non-union and union employee groups. This compensation structure is intended to maintain pay equity between employee groups, as well as to support a market-competitive, above market average pay philosophy for the City. As a result, in addition to annual adjustments to offset inflation factors and subject to satisfactory performance, directors are now eligible for annual steps within pay grades established for their respective positions.

During the recent HRTRC meeting, HR Director Brooke Insana briefed the committee on the City's unified salary schedule. This presentation emphasized the City's commitment to an above-market-average pay philosophy. A 2.75% general adjustment for 2027 was proposed, aligning with the seven-year forecast budget and mirroring the identical 2.75% adjustments established across the City's labor agreements, including the 2025-2027 GELC Local 1984 contract, the 2025-2027 IAFF Local 3472 contract, and the 2026-2028 AFSCME Local 1917 contract. Combining these references into a single baseline demonstrates a unified and consistent adjustment strategy across the entire city workforce to keep the schedule competitive with the market while maintaining internal equity.

On that basis, the HRTRC reached consensus to recommend a 2.75% general adjustment to the 2027 base salary budget for directors, in addition to eligible step increases.

RECOMMENDATION:

That City Council accept the HR Technical Review Committee's recommendation and approve a 2.75% general adjustment for department directors in 2027 in the amount of \$37,894.00 for a total base salary budget of \$1,416,031.00.
