SUBJECT: Approval of the Interlocal Agreement between Oakland County and the City of Rochester Hills

REQUEST:

The Rochester Hills Fire Department requests City Council approval of the Interlocal Agreement between Oakland County and the City of Rochester Hills. Effective immediately upon signing, this agreement delineates the roles and responsibilities of both parties regarding the operation, management, and maintenance of the P25 public safety radio system.

BACKGROUND:

Oakland County has implemented a new P25 public safety radio system for all emergency responders. This system is fully integrated with the Michigan Public Safety Communications System (MPSCS), ensuring seamless county-wide interoperability. Governance is provided by a Technical & Policy Committee—comprised of key public safety stakeholders—which oversees system management and operational policies. The system officially went online on November 24, 2025.

RECOMMENDATION:

It is recommended that City Council approve the Interlocal Agreement between Oakland County and the City of Rochester Hills.
